DIRECTIONS

We operate from a purpose built studio on the Kildare, Carlow and Laois borders half way between Athy and Carlow on the R417.

Directions from Athy

At Emily Square in Athy take the R417 towards Carlow. Six kilometres out of Athy look out for a 60km speed limit sign and a group of cottages on the right hand side (opposite the local road left turn L8084). Turn into the right at the cottages and go immediately left between one of the cottages and a steel bridge. Do not cross the steel bridge. Follow the canal towpath for about 250m past barges etc. and you will see a canal lock on right. Our office is in the trees to the left (only building) through the wooden gates.

Directions from Carlow

Take the R417 towards Athy and pass the 3-Counties pub and petrol station. After a further 4 kms there is a 60km speed limit sign and a group of cottages on the left hand side (opposite the local road right turn L8084). Turn into the left at the cottages and go immediately left between one of the cottages and a steel bridge. Do not cross the bridge. Follow the canal towpath for about 250m past barges etc. and you will see a canal lock on right. Our house is in the trees to the left (only house) through the wooden gates.

Directions from Dublin

At Red Cow Roundabout take the exit onto Naas Road - N7 (signposted Limerick). Continue forward onto the M7. Leave the M7 at junction 11, then join the M9 motorway (signposted Waterford, Kilkenny, Carlow). Branch left, then turn right onto the N78 (signposted Athy). Continue forward on N78 entering Athy.
